* [REDACTED] Comment. The total stocks of coal for operational use are adequate for 10 days. The stocks of brown coal briquettes have decreased, but those of hard coal have increased correspondingly.

25X1A ** [REDACTED] Comment. The backlog of loaded cars awaiting dispatch has increased slightly.

25X1A *** [REDACTED] Comment. Although the number of cars in operation has increased slightly as compared with the last report, it is still below the fixed target of 80,000 cars.
